

**Position Title:** Occupational Therapist

**Location:** DeniSPOT

**Employment Type:** [Full-Time/Part-Time]

**Reports To:** Clinical Lead/Director

## Position Overview

DeniSPOT is seeking a dedicated and passionate **Occupational Therapist** to join our dynamic team. The successful candidate will work with children and adults to enhance their ability to perform daily activities, improve sensory processing, and develop motor skills through individualized therapy interventions. This role involves working collaboratively with clients, families, and a multidisciplinary team to promote independence and well-being.

## Key Responsibilities

- Conduct assessments to evaluate sensory processing, fine/gross motor skills, and functional abilities.
- Develop and implement individualized therapy plans to support clients in achieving their goals.
- Develop Allied Health Assistant therapy plans to support clients in achieving their goals.
- Provide evidence-based interventions to enhance functional performance in home, school, and community settings.
- Collaborate with families, caregivers, educators, and other healthcare professionals to ensure integrated care.
- Maintain accurate and up-to-date documentation of client progress, assessments, and reports.
- Educate clients and families on strategies and techniques to support skill development and independence.
- Participate in team meetings, case discussions, and professional development activities.
- Stay current with best practices, research, and advancements in occupational therapy.

## Qualifications & Experience

- Bachelor's or Master's degree in Occupational Therapy from an accredited institution.
- Current registration with Australian Health Practitioners Regulation Agency (AHPRA).

- Experience working with children and/or adults with developmental, neurological, or sensory challenges (preferred).
- Strong understanding of sensory integration, motor development, and functional skill-building.
- Excellent communication and interpersonal skills.
- Ability to work independently as well as collaboratively in a team environment.
- Commitment to client-centered care and evidence-based practice.

### Desirable Skills & Attributes

- Experience in working with individuals with autism, ADHD, or other developmental conditions.
- Knowledge of assistive technology and adaptive equipment.
- Ability to provide therapy in different settings, including clinic, school, or home environments.

### Benefits

- Competitive salary based on experience and qualifications under <https://www.fairwork.gov.au/employment-conditions/awards/awards-summary/ma000027-summary> or as an independent contractor.
- Opportunities for professional development and career progression.
- Supportive team environment with mentoring and supervision.
- Flexible work arrangements and work-life balance initiatives.

### How to Apply

Interested candidates should submit their **resume and a cover letter** detailing their experience and suitability for the role [lucy@denispot.com](mailto:lucy@denispot.com).

Join DeniSPOT and make a meaningful difference in the lives of individuals by empowering them to reach their full potential through occupational therapy!
