

Speech Pathologist – DeniSPOT

Position Title: Speech Pathologist

Location: DeniSPOT, Deniliquin

Employment Type: [Full-Time/Part-Time/Casual]

Reports To: DeniSPOT founder

About DeniSPOT

DeniSPOT is a dedicated therapy provider specializing in speech, language, and occupational therapy services for individuals of all ages in our local area; Deniliquin, Hay, Moulamein, Mathoura and Finley. Our mission is to support clients in achieving their communication and developmental goals through evidence-based, client-centered care.

Role Overview

The Speech Pathologist at DeniSPOT will be responsible for assessing, diagnosing, and providing intervention for individuals with speech, language, fluency, voice, and communication disorders. The role involves working collaboratively with clients, families, educators, and other allied health professionals to develop and implement tailored therapy programs that enhance communication and quality of life.

Key Responsibilities

Assessment & Intervention

- Conduct comprehensive speech, language, and communication assessments.
- Develop, implement, and review individualized therapy plans based on client needs.
- Provide therapy sessions in-clinic, in schools, at home, or via telehealth as required.
- Support clients with alternative and augmentative communication (AAC) methods.

Client & Family Support

- Educate and empower families, caregivers, and educators to support communication development.
- Provide guidance on communication strategies to enhance participation in daily activities.
- Advocate for clients' needs within educational and community settings.

Collaboration & Teamwork

- Work closely with occupational therapists, educators, and other healthcare professionals to provide holistic care.
- Participate in case conferences, team meetings, and professional development activities.
- Contribute to the development of resources and programs within DeniSPOT.

Documentation & Compliance

- Maintain accurate and up-to-date client records, progress notes, and reports.
- Ensure compliance with ethical, professional, and legal requirements in speech pathology practice.
- Stay up to date with best practices and evidence-based approaches in speech therapy.

Essential Criteria

- Certified practicing member of **Speech Pathology Australia (SPA)**.
- Strong clinical skills in assessing and treating speech and language disorders.
- Excellent communication and interpersonal skills.
- Ability to work independently and as part of a multidisciplinary team.
- A passion for helping individuals and families improve their communication and overall well-being.
- Current Working with Children Check (WWCC) and National Police Check (or willingness to obtain).
- Valid driver's license and ability to travel if required.

Desirable Criteria

- Experience working with children and/or adults in a clinical, school, or community setting.
- Knowledge and experience in **NDIS** service delivery.
- Familiarity with AAC systems and assistive communication technologies.

Benefits of Working with DeniSPOT

- Supportive and collaborative work environment.
- Opportunities for ongoing professional development and mentorship.
- Flexible work arrangements.
- Competitive salary based on experience under the <https://www.fairwork.gov.au/employment-conditions/awards/awards-summary/ma000027-summary> or as a private contractor.
- Access to resources and tools to enhance client care.

How to Apply

If you are a passionate Speech Pathologist looking to make a meaningful impact, we would love to hear from you! Please submit your **resume** and **cover letter** to lucy@denispot.com or contact us at DeniSPOT.com for more information.
